TO : FO4/SFO *WLB*

DATE: 19 May 1964

Serial: C14-15-64

FROM : CL4
Trice, CL422, 3997s, ml

SUBJECT: Mission S-194A, Evaluation

1. Mission S-194A was flown on 15 March 1964 from 0201Z until 0835Z. The Systems III gear was activated immediately after take-off and remained on for 6 hour and 52 minutes. The following is the evaluation of this mission:

2. It is again recommended that we be furnished all amplifying data with the tapes in order to aid in the complete processing of the various missions. Complete overlays instead of partial ones would be helpful and complete logs instead of extracts are a necessity.
